

Flashpoint Marketing Summary

Company Overview

Flashpoint Marketing is a business development and lead generation firm that specializes in serving CPA, CA and other accounting organizations. We work with clients to develop a pipeline of immediate, short and long term opportunities to drive niche and practice growth. We integrate with your existing marketing and business development infrastructure to enhance effectiveness, increase return and drive results. Our clients understand that Flashpoint is more than just a source of opportunities rather we are an invested business partner that provides useful feedback and information on all aspects of the business development and lead generation process.

COMPETITIVE ADVANTAGE

What makes Flashpoint different is our people and process. Our professionals include former Big 4 professionals that understand the rigors, challenges and issues of the accounting profession. As a result, when working with Flashpoint you get more than lead generation. Our consultants work with key members of your firm to assess critical aspects of the business development process, identify challenges and opportunities and provide meaningful advice on how to enhance or improve your existing processes. The Flashpoint difference is the level of service and investment in client success you get when working with our firm.
